"Unless the Lord build the house, they labor in vain who build it." -- (Ps. 127)

Bishop Canevin High School, established in 1959, serves students from the Diocese of Pittsburgh as well as students from the City of Pittsburgh and 25 surrounding school districts.

Bishop Canevin High School is accredited by the Middle States Association of Colleges and Secondary Schools, and the Pennsylvania Department of Education. Bishop Canevin challenges students to strive for academic excellence as critical thinkers and effective communicators, while recognizing that each student is a valued individual with unique abilities, insights, and needs. We strive to instill the value of life-long learning and service to and for others.

School Counseling

The Department focuses on working with each student to determine the student's interests, identify abilities and match those interests and abilities to post secondary choices. The goal is to direct the student's choices to continue their Intellectual, spiritual, moral, and academic growth as young men and women preparing for the future. Additionally the counselors work with various resources in the community to broaden the students awareness and provide opportunities for growth, tailored according to the students interests, abilities, and needs.
